No. : 178/Dean.BASE/VI/2021

Subject : Introductory Statement Letter for Internship Purpose

Dear Respected Top Management:

PT. Surya Sarana Dinamika

Perkantoran Mega Sunter Blok B No. 40

Jl. Danau Sunter Selatan,

Jakarta Utara 14350

DKI Jakarta , Indonesia

To Whom It May Concern;

Herewith, through this letter, our Institution, which is BINUS ASO School of Engineering (BASE), Binus University, conveys the Introductory Statement Letter. The aforementioned letter is intended to acknowledge the student's active status in BASE, Binus University.

The aforementioned student name, from the designated schedule and onward, conducts Internship Activities, as one of requirements to obtain Bachelor of Science, known as Sarjana Teknik.

Therefore, It is with professional standard and great expectation for Respected Top Management of PT. Surya Sarana Dinamika, to provide Internship Opportunity for the aforementioned student name:

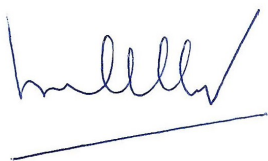

Precisely, the following student is professionally to conduct the assignment and objectives according to practical and implementation of Automotive & Robotics Engineering and its multidisciplinary.

NIM	Nama	Program
2201794694	Denise Joshua	Automotive & Robotics Engineering

The objective of this Internship is to achieve objectives within implementations that student has learned through years prior Internship, as hard skills within technical competencies in solving real professional world problem on the field. In addition to the aforementioned hard skills, then, the soft skills in term of the plausible and professional attitudes, behaviors and competences are required from the student through lifelong learning and continuous improvement spirit.

To Conclude, Highest Gratitude is conveyed to respected Top Management of PT. Surya Sarana Dinamika.

Sincerely Yours,

Dr. Ir. Ho Hwi Chie, MSc
Dean
